

Each customer purchasing Jueveau® will receive exclusive Member pricing for their full quarter.

After the first quarter, customers will receive pricing according to their volume, as outlined in the table below.

After the first quarter of purchasing, each customer will receive a **discount coupon** for their previous purchases respective to their new tier price.

For example: In the first quarter, you purchase 30 vials of Jueveau® at the member pricing of \$439. The next quarter you will be placed in the Gold tier with a price of \$401. You will receive a discount coupon worth \$1,140.

After the first quarter, customers will be placed in their respective volume tier each quarter following the below table:
